

HARBOR GRACE Hospice

A safe harbor in your time of need

At Harbor Grace Hospice, our goal is to provide end of life care with dignity, grace and compassion to the patients and families we serve. Our team consists of experienced professionals led by our Medical Director, Dr. Torey B. Clark, Board certified in Hospice and Palliative Medicine, Hematology/Oncology and Internal Medicine. We have our own 22-bed Inpatient Facility located in downtown Atlanta, across the street from Atlanta Medical Center. Please call or visit our website for more information.
